RABBIT IN THE LOG (Feast Here Tonight}

```
              D
1   There's a rabbit in the log and I ain't got no dog
                            A
    How will I get him I know (I know)
       D
    I'll get me a briar and I'll twist it in his hair
                     A         D
    That's how I'll get him I know
     G                     D
    I know (I know) I know (yes I know)
                                A
    That's how I'll get him I know
       D
    I'll get me briar and I'll twist it in his hair
                     A        D
    That's how I'll get him I know.

2   I'll build me a fire and I'll roast that old hare
    Roll him In the flames to make him brown.
    And I'll feast here tonight while the moon's shining bright
    Just find me a place to lie down.
    To lie down, to lie down
    Find me a place to lie down.
    I'll feast here tonight while the moon's shining bright
    Just find me a place to lie down.

3.  I'm going down the track with a chicken on my back
    The soles on my shoes nearly gone.
    Just a little ways ahead there's an old farmer's shed
    That's where I'll rest my weary bones.
    Just a little ways ahead there's an old farmer's shed
    That's where I'll rest my weary bones.
