WHEN I CALL YOUR NAME

```
  G                              G7              C             G
I RUSHED HOME FROM WORK LIKE I ALWAYS DO
                                                 A          D
I SPENT MY WHOLE DAY JUST THINKING OF YOU
           G                              G7                  C                        G
WHEN I WALKED THROUGH THE DOOR MY WHOLE LIFE WAS CHANGED
                C              G                    D                      G
CAUSE NOBODY ANSWERED WHEN I CALLED YOUR NAME

  G                                        C                  G

                                                 A        D
SAID YOUR'D GROWN WEARY OF LIVING A LIE
         G                        G7              C             G
OH, YOUR LOVE HAS ENDED BUT MINE STILL REMAINS
              C            G                    D                    G

                     G           G7          C                  G
OH THE LONELY SOUND OF MY VOICE CALLING
                                        D           D7
(IS STILL) IS DRIVING ME INSANE
        G               G7            C                     G
AND JUST LIKE RAIN THE TEARS KEEP FALLING
            C                  G                  D                  G
CAUSE NOBODY ANSWERS WHEN I CALL YOUR NAME
