Y'ALL COME

C F
When you live in the country every-body is your neighbor
C G
On this one thing you can re-ly.
C F
They'll all come to see you and never ever leave you
C G C
Sayin', y'all come to see us bye and bye.

C F
Y'all come, y'all come,
C G
Oh, Y'all come to see us when you can.
C F
Y'all come, Y'all come,
C G C
Oh, Y'all come to see us now and then.

Kinfolks a-comin', they're comin' by the dozen

Eatin' everything from soup to hay,

And right after dinner they ain't lookin' any thinner

And here's what you hear them say.

- CHORUS –

Poor old grandmaw's a-wishin', they'd come out to the kitchen

And help do the dishes right away.

But they all start a-leavin' and even though she's a-grievin'

You can still hear grandmaw say:
