

ARE YOU MISSING ME

The (E) day that I (A) kissed you and (E) told you goodbye,
Your (B) lips told me that you would (E) wait,
But your lips (A) deceived me and (E) told me a lie
While your (B) heart was sealing my (E) fate.

(E) Are - - - you all alone - - -
(B) With - - - a memory (E) - - -
Now - - -that I am gone - - -
Darling, (B) are - - - you missing (E) me.

- Instrumental Break -

Out (E) of the (A) clear sky a (E) letter then came
And (B) just like a bolt from the (E) blue.
My castles came (A) tumbling as (E) I read it o'er.
I (B) still can't believe that it's (E) true.

It (E) said that in (A) spite of the (E) vows you had made,
The (B) glitter of gold turned your (E) head.
And while I was (A) trying (E) employment to find,
You (B) married another (E) instead. - TAG ON CHORUS -
