

BACK HOME AGAIN

There's a (A) storm across the valley, (D) clouds are rollin' in
The (E) afternoon is heavy on your (A) shoulders (D7)
There's a (A) truck out on the four lane, a (D) mile or more away
The (E) whinin' of his wheels just makes it (A) colder (D7)

He's an (A) hour away from ridin' on your (D) prayers up in the sky
And (E) ten days on the road are barely (A) gone (D7)
There's a (A) fire softly burning, (D) supper's on the stove
But it's the (E) light in your eyes that makes him (A) warm.

CHORUS:

Hey, (D) it's good to be (E) back home (A) again, yes it is
(D) Sometimes (E) this old farm (A) feels like a long lost (D) friend
Yes, hey (E) it's good to (D) be back (E) home (A) again

There's (A) all the news to tell him, (D) how'd you spend your time?
(E) What's the latest thing the neighbors (A) say (D7)
And your (A) mother called last Friday, (D) "Sunshine" made her cry
And you (E) felt the baby move just (A) yesterday.

CHORUS: Yes it's

Oh, the (A) time that I can lay, this (D) tired old body down
(E) Feel your fingers feather soft (A) upon me (D7)
The (A) kisses that I live for, the (D) love that lights my way
The (E) happiness that (D) livin' with you (A) brings me.

It's the (A) sweetest thing I know of, just (D) spending time with you
It's the (E) little things that make a house a (A) home. (D7)
Like a (A) fire softly burning and (D) supper on the stove.
And the (E) light in your (D) eyes that (E) makes me (A) warm

CHORUS: X2 You know it's
