

BLUE CHRISTMAS

INTRO: Lines 4 - 8

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't be the same dear, if you're not here with me

And when those blue snowflakes start fallin'
That's when that blue memory starts callin'
You'll be doin' alright with your Christmas of white
But I'll have a blue, blue Christmas

INSTRUMENTAL: Lines 1 - 8

I'll have a blue Christmas that's certain
And when those blue heartaches start hurtin'
You'll be doin' alright, with your Christmas of white
But I'll have a blue, blue Christmas
