

BLUERIDGE CABIN HOME

A D
There's a well - beaten path on this ol' mountain side
E A
Where I wandered when I was a lad
A D
There I wandered along to the place I called home
E A
To those Blueridge hills so far away.

CHORUS:

A D
Oh I love those hills of ol' Virginia,
E A
From those Blueridge hills I did roam.
D
When I die won't you bury me on the mountain
E A
Far away to my Blueridge Mountain Home
A D
Well my thoughts ramble back to the ramshackled shackled
E A
In those Blueridge hills far away.
D
There my mother and dad are laid there to rest;
E A
They are sleeping in peace together there.

CHORUS:

A D
I return to that ol' cabin home with a sigh,
E A
I've been longing for days gone by.
D
When I die won't you bury me on this ol' mountain side
E A
Make my resting place upon the hill so high.

CHORUS:
