

Back On My Mind Again - Ronnie Milsap

G Em C G D
I took some time, to clear my mind, and give myself a change of atmos-phere.

G Em A D
I had some fun, lying in the sun; Daytona's nice this time of year.

G Em
I saw lovers hand-in-hand, building castles in the sand,

C A
And doing all the things we did back then;

C D G C G D G
But just when I think, I'm through loving you - you're, back on my mind a-gain.

CHORUS

C D G C
Back on my mind, time after time - I wonder if this heart will ever mend.

G D G C
'Cause just, when I think, I'm through loving you -

G D G (D7)
you're, back on my mind a-gain.

G Em
I came out of my shell, really doing well,

C G D
I met someone who thinks the world of me.

G Em A D
He talks of rings, and whispers loving things; he's everything I want a guy to be

G Em
But when he holds me tight, the feeling isn't right;

C A
It seems as though I'm never, gonna win.

G D G C
* 'Cause just, when I think, I'm through loving you -

G D G
you're, back on my mind a-gain.
