INTRO: D2, C, G, A

Will you(D2) Miss Me(C) In Caro(G)lina  
Will I(D2) miss you in Tenne(A7)ssee  
Do you(D2) wish that I was(C) there be(G)side you?  
Well I(D2) wish that you were(A7) here with(D2 ) me.

I know its not the ideal situation  
You know my hearts become part of the band  
It's a common hazard in this occupation  
You know I love you just as much as I can.

CHORUS:

(G)So I'll dream till I hear you(D2) love me,  
And I'll(D2) hope till I see your(A7) smile.  
(G)Wish I could(A7) hold you for(D2)ever  
And somehow erase(A7) all of the(D2 ) miles

LEAD:

Well tomorrow, its Pennsylvania  
Then it's on to the city of St. Paul  
I'll hold on to your love and your memory  
Until I can see you again
