

Five Pounds of Possum

[first verse is acappella]

A D A
My children are hungry, my dog needs a bone
A B E7
I ain't got a job now, so I'm just drivin home
A D A
An hour after sundown, and much to my delight,
A E7 A
There's five pounds of possum in my headlights tonight.

CHORUS [with instruments]

A D A
There's five pounds of possum in my headlights tonight
A B E7
If I can just run him over, everything will be all right
A D A
We'll have some possum gravy, oh what a wonderful sight,
A E7 A
There's five pounds of possum in my headlights tonight.

CHORUS

A D A
Won't have to clean me no chicken, won't have to open no cans
A B E7
Just a little bit closer, and I'll have it in my hand.
A D A
I think the time has come now, to go from dim to bright
A E7 A
There's five pounds of possum in my headlights tonight

CHORUS

My children are hungry, my dog needs a bone
I ain't got a job now, so I'm just drivin' home
An hour after sundown, and much to my delight,
There's five pounds of possum in my headlights tonight.
