

I DON'T REMEMBER LOVING YOU

G D G D
I don't remember loving you, and I don't recall the things, you say you put me through,
C G C
You tell me that you've had a guilty conscience for so long, you say that you walked out on me
G D
You say you did me wrong, well I just don't see how that could be true,
G
Cause I don't remember loving you.

D G D
I don't remember loving you, You might talk to my doctor, he drops by each day at two.
C G C
I get a funny feeling when I look into your eyes, there's something in your smile that gives
G D
my stomach Butterflies. You must look like someone I once Knew,
G
But I don't remember loving you.

D C D C G
I don't remember loving you, heard you mention children, did you say there's one or two?
C G C
You say I quit my job and then I drank myself insane, you say that I ran down the highway
G D
screaming out your name. Well that's not the sort of thing that I would do.
G
No, I don't remember loving you.

G
But I don't remember loving you,

D G D
don't remember loving you, and I don't recall the things, you say you put me through
C G C
You tell me that; you've had a guilty conscience for so long, You say that you walked out on me,
G D
You say you did me wrong, I just don't see how that could be true,
G D G
Cause I don't remember loving you. No, I don't remember loving you.
