

# I Have A Dream

C G7 C  
I have a dream, a song to sing  
C G7 C  
To help me cope with anything  
C G7 C  
If you see the wonder of a fairy tale  
C G7 C  
You can take the future even if you fail  
C G7  
I believe in angels  
G7 C  
Something good in everything I see  
C G7  
I believe in angels  
G7 C  
When I know the time is right for me  
C G7 C  
I'll cross the stream - I have a dream

I have a dream, a fantasy  
To help me through reality  
And my destination makes it worth the while  
Pushing through the darkness still another mile  
I believe in angels  
Something good in everything I see  
I believe in angels  
When I know the time is right for me  
I'll cross the stream - I have a dream

(Repete first chourus)

I'll cross the stream - I have a dream
