

# I Still Miss Someone

written by Johnny Cash and Ray Cash Jr.

*G* *C* *D7*  
At my door the leaves are falling  
*C* *D7* *G*  
The cold wild winds will come  
*C* *D7*  
Sweethearts walk by together  
*C* *D7* *G*  
And I still miss someone  
*C* *D7*  
I go out on a party  
*C* *D7* *G*  
And look for a little fun  
*C* *D7*  
But I find a darkened corner  
*C* *D7* *G*  
Cause I still miss someone

*C* *D7* *G*  
I never got over those blues eyes  
*C* *D7* *G*  
I see them everywhere  
*C* *D7* *G*  
I miss those arms that held me  
*C* *D7* *G*  
When all the love was there  
*C* *D7*  
I wonder if she's sorry  
*C* *D7* *G*  
For leaving what we'd begun  
*C* *D7*  
There's someone for me somewhere  
*C* *D7* *G*  
And I still miss someone
