

I WONDER WHERE YOU ARE TONIGHT

[D] Tonight I'm sad, my heart is **[G]** weary
I'm **[A7]** wond'ring if I'm wrong or **[D]** right
Altho' you've gone and found a-**[A7]** nother
I **[A7]** wonder where you are **[D]** tonight.

CHORUS

That old **[G]** rain is cold and slowly **[D]** fallin'
Upon my window pane to-**[A7]** night
And **[D]** tho' your love was even **[G]** colder
I **[A7]** wonder where you are to-**[D]** night.

Your heart was cold, you never loved me
Tho' you said you often cared
And now you've gone and found another
Someone who knows the love I shared.

CHORUS

Then came the dawn that day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight.
