

I'm All Prayed Up

Chorus

I'm all prayed up, I'm ready to meet my Savior

Eternal life is waitin' in the by and by

I'm all prayed up, my faith will never waiver

Heaven's doors gonna swing wide open when I die

I made my peace with Jesus a long long time ago

I trusted Him and He would save my soul

I walked up there beside Him, He guides me on my way

I know He hears me when I kneel and pray

CHORUS

Now I ain't afraid of Satan, his wicked way of sin
Well he tempted me but he could not pull me in
When I've gone to live with Jesus, face my judgement day
He'll fulfill me for the promise that He made

CHORUS
