

KEEP ON THE SUNNY SIDE

Carter Family Version

A D A
There's a dark and a troubled side of life,
A E
There's a bright and a sunny side too,
E A
Though we meet with the darkness and strife,
E A
The sunny side we also may view.

A D A
Keep on the sunny side, always on the sunny side,
A E
Keep on the sunny side of life,
E A D A
It will help us every day, it will brighten all our way,
A E A
If we keep on the sunny side of life.

A D A
Oh the storm and its fury broke today,
A E
Crushing hopes that we cherish so dear,
E A
The clouds and storm will in time pass away,
E A
The sun again will shine bright and clear.

A D A
Let us greet with a song of hope each day,
A E
Though the moment be cloudy or fair,
E A
Let us trust in our Savior always,
E A
To keep us every one in His care.
