

# LUCILLE

**G**  
In a bar in Toledo, across from the depot, on a bar stool she took off her ring,  
**Am** **D** **Am** **D** **G**  
I thought I'd get closer so I walked on over, I sat down and asked her name.  
**G7** **C**  
When the drinks finally hit her, she said I'm no quitter, but I finally quit living on dreams.  
**D** **G**  
I'm hungry for laughter, and here ever after, I'm after what-ever the other life brings.

**D**  
In the mirror I saw him, and I closely watched him, I thought how he looked out of place.  
**Am** **D** **Am** **D** **G**  
He came to the woman, who sat there beside me, he had a strange look on his face.  
**G7** **C**  
The big hands were calloused, he looked like a mountain, for a minute I thought I was dead.  
**D** **G**  
But he started shakin, his big heart was breakin, he turned to the woman and said

**C** **G**  
You picked a fine time to leave me - Lucille, with four hungry children and a crop in the field.  
**C** **G**  
I've had some bad times lived through some sad times, but this time your hurtin won't heal.  
**D** **G**  
You picked a fine time to leave me Lucille.

**D**  
After he left us, I ordered more whiskey, I thought how she'd made him look small.  
**Am** **D** **G**  
From the lights of the bar room, to a rented hotel room, we walked without talking at all.  
**G7** **C**  
She was a beauty, but when she came to me, she must have thought I'd lost my mind.  
**D** **G**  
I couldn't hold her, cause the words that he told her, kept coming back time after time.
