

LET IT SNOW (D)

Oh, the (D) weather outside is frightful,
But the (A) fire is so delightful,
And (G) since we've no place to (Em) go,
Let it (A) snow, let it (G) snow, let it (D) snow.

Oh (D) it doesn't show signs of stopping,
And I (A) brought some corn for popping,
The (G) lights are turned way down (Em) low,
Let -it (A) snow, let it (G) snow, let it (D) snow.

**(A) When we finally kiss good night,
How I (D) hate going (E) out in the (A) storm,
But if you really hold me tight,
(C) All the way (E) home I'll be (A) warm.**

(D) Oh the fire is slowly dying,
And, my (A) dear, we're still goodbye-ing,
But (G) as long as you love me (Em) so.
Let me (A) snow, let it (G) snow, let it (D) snow.
