

# Little Cabin Home On The Hill

(G) Tonight I'm alone (C) without you my (G) dear  
It (G) seems there's a longing for you (D7) still  
(G) All I have to do now is (C) sit alone and (G) cry  
(G) In our little cabin (D7) home on the (G) hill.

## Refrain

Oh, (C) someone has taken you (G) from me  
And left me here all (D7) alone  
Just (G) to listen to the rain beat (C) on my window (G) pane  
(G) In our little cabin (D7) home on the (G) hill.

(G) I hope you are happy (C) tonight as you (G) are  
(G) For in my heart there's a longing for you (D7) still  
(G) I just keep it there so (C) I won't be (G) alone  
(G) In our little cabin (D7) home on the (G) hill.

## Refrain

(G) And when you have come (C) to the end of the (G) way  
(G) And find there's no more happiness for (D7) you  
(D7) Just let you thoughts turn back (C) once more if you (G) will  
(G) To our little cabin (D7) home on the (G) hill.
