

MANSION JUST OVER THE HILLTOP

ELVIS PRESLEY

G C G
I'm satisfied with just a cottage below
G D G
A little silver and a little gold
G C G
But in that city where the ransomed will shine
G D G
I want the gold one that's silver lined.

C F C
I've got a mansion just over the hilltop
C G C
In that bright land where we'll never grow old
C F C
And some day yonder, we will never more wander
C G C
But walk on streets that are pure as gold.

Don't think me poor or deserted or lonely

I'm not discouraged, I'm heaven bound

I'm but a pilgrim in search of the city

I want a mansion, a harp and a crown.
