

My Rose of Old Kentucky

^G She bloomed for me near a little village ^C
^G In a cabin on the hill we made our vow ^G
^C we'd love each other and I know we always will ^D ^G

Chorus

^G ^C ^G
She's my rose of old Kentucky ^D
I watched her bloom as the years rolled by ^D
^G ^C
And to me they'll never be another
^D ^G
I'll love her 'till the day I die

^G ^C
Oh in dreams I see my darling
^G ^D
In a gingham dress she looks so sweet
^G ^C
Oh how I long for old Kentucky
^D ^G
And my darling was more than real

Chorus

^G ^C
Oh I know you'd often wondered
^G ^D
so I'll tell you the reason why
^C
She's my rose of old Kentucky
^D ^G
And I know she'll never lie

Chorus

^G ^C
Since I left you in old Kentucky
^G ^D
I've missed your love and need you so
^G ^C
But from now on we're gonna be together
^D ^G
From your loving arms I'll never go

Chorus
