

(Key of D)

RING THE BELL – Gibson Brothers

In the (D) road was a bell and in the bell was a sound

Of (G) days that have come and (D) gone

And the road ran to a little town on the hillside

Where the word of the (A) Lord lives (D) on.

(D) Ring the bell (ring the bell), Ring the bell (ring the bell)

Ring the (G) bell both far and (D) wide

You can (D) hear it on the mountain and out across the valley

Ring the bell and (A) go to His (D) side.

(D) Well, I followed it down from the forest to the town

In the (G) darkness and dead of (D) night

(D) There were children dancing there with flowers in their hair

And the streets were lit with (A) candle (D) light.

CHORUS -

(D) Now the farmer and the teacher and the barber and the preacher

All held (G) hands and moved as (D) one

(D) The holy word was sung not spoken of a circle unbroken

And the spirit moved in (A) every (D) one.

CHORUS -

(D) In the middle of the street, I fell down hard on my knees

To the (G) pavement that shone like (D) gold

(D) With a shiver and a start, He reached into my heart

With the kindest (A) words I (D) was told.

CHORUS - TAG last line.
