

SWEETHEART YOU DONE ME WRONG
Bill Monroe & Lester Flatt

[G] You told me that your love was [C] true
Sweetheart I [D] thought the world of [G] you
Now you left me all [C] alone
I have no [D] one to call my [G] own

[G] Now sweetheart you done me [C] wrong
You have [D] left me all [G] alone
Maybe there will come a [C] time
Sweetheart when [D] you will change your [G] mind

[G] I never shall forget the [C] day
When you [D] said you were going [G] away
I couldn't believe that it was [C] true
After all the [D] love I had for [G] you

[G] The road is rough and rocky [C] too
As I travel [D] on dear without [G] you
I'm still praying for the [C] time
Sweetheart when [D] you will change your [G] mind
