(G) On a long lonesome Journey I'm(C) going
Oh(D) darling, now please don't you(G) cry
In shackles and chains they will(C) take me
To a(D) prison to stay till I(G) die.

CHOURS 1

(G) At night through the bars I(C) gaze at the stars
And I(D) long for your kisses in(G) vain
A piece of stone I will use for my(C) pillow
While I'm(D) sleeping in shackles and(G) chains.

BREAK

(G) Put your arms thru these bars, my(C) darlin'
Let me(D) kiss those sweet lips I love(G) best
In heartache you're my(C) consolation
In(D) sorrow my haven of(G) rest

(G) At night through the bars I(C) gaze at the stars
The(D) plans that we made were in(G) vain
A piece of stone I will use as my(C) pillow
