## Alison Krauss

Chorus           A           Bm  
Steel rails, chasin g sunshine round the bend  
          D           E           D           A  
Winding through trees, like a rib bon in the wind  
A                            Bm  
I don't mind, not knowing what lies down the track  
          D           E                   D           A  
Cause I'm looking out ahe ad, to keep my mind from turning back  
A                            Bm  
It's not the first time, I found myself alone at dawn  
D                   E                   D           A  
If I really had you once, then I'd have yo u, when I'm gone  
A                    Bm  
Whistle blowing, blowing lonesome, in my mind  
D           E           D           A  
Calling me along, that never ending, metal line

chorus

Sun is shinning, through the open box car door  
Lying in, my mind, with the things I've known before  
I've lost count of the hours, days, and times  
Just the rhythm of the rails, keeps the motion in my mind

chorus

          D                   E                   D           A  
cause I'm looking out ahead ~~, To keep my mind from turning back
