

STROLL OVER HEAVEN WITH YOU

If I (D) surveyed all the good things, that come to me from above
If I could (A) count all, the blessings, from the store (D) house of (A) love
I'd simply (D) ask for, the favor, of Him beyond mortal king
And I'm (A) sure, He would grant it (D) again (D7)

I want to (G) stroll over Heaven, with (D) you some glad day
When all our (A) troubles, and heartaches, are (D) vanished (D7) away
Then we'll (G) en-joy the beauty, where (D) all things are new
I want to (A) stroll over (A7) Heaven with (D) you

BREAK

(D) So many places of beauty, we long to see here below
But time and (A) treasures, have kept us, from making (D) plans as you (A) know
But come the (D) morning of the rapture, together we'll stand anew
While I (A) stroll over Heaven with (D) you (D7)

I want to (G) stroll over Heaven, with (D) you some glad day
When all our (A) troubles, and heartaches, are (D) vanished (D7) away
Then we'll (G) en-joy the beauty, where (D) all things are new
I want to (A) stroll over (A7) Heaven with (D) you

(D) I want to (A) stroll over (A7) Heaven with (D) you (A) (D)
