

Till It's Time for You to Go (G)

You're not a (G) dream
You're not an (G/F#) angel
You're a (Bm7-5/F) woman (E7)
I'm not a (Am) king,
I'm a (Am Maj7) man,
Take my (Am7) hand (D7)
We'll make a (G) space
In the (G/F#) lives that we (Bm7-5/F) planned (E7)
And here we'll (Am7) stay
Until it's (D7) time for you to (G) go

Yes, we're (G) different worlds (G/F#) apart
We're not the (Bm7-5/F) same (E7)
We laughed and (Am) played
At the (Am Maj7) start like in a (Am7) game (D7)
You could have (G) stayed
Outside my (G/F#) heart
But in you (Bm7-5/F) came (E7)
And here you'll (Am7) stay
Until it's (D7) time for you to (G) go

Bridge

(Ab) Don't (F7) ask (G) why,
(Ab) Don't (F7) ask (G) how
(B7) Don't ask (Emsus4) forever,
(A7) Love me (D7) now

This love of (G) mine
Had no (G/F#) beginning
It has no (Bm7-5/F) end (E7)
I was an (Am) oak,
Now I'm a (Am7 Maj7) willow
Now I can (Am7) bend
And tho' I'll (G) never
In (G/F#) my life (Bm7-5/F) see you (E7) again
I still (Am7) stay
Until it's (D7) time for you to (G) go (Cm) (G)
