

Unicorn Song

Key of C

The Irish Rovers

C
A long lime ago when the earth was green.
G **Dm**
There were more kinds of animals than you've ever seen
C **C**
They'd run around free while the earth was being born.
G **C**
And the loveliest of them all was the uncorn.

C **Dm**
There were green alligators and long-necked geese.
G **C**
Some humpy-backed camels and some chimpanzees.
C **Dm**
Some cats and rats and elephants, as sure as you're born
G **C**
And the loveliest of them all was the unicorn,

Now, God saw some sinning, and it gave him pain
So he said "Stand back, I'm going to make it rain
He said "Hey Brother Noah, I'll tell you what to do:
Build me a floating zoo.

And lake some of them green alligators and long-necked geese
Some humpy-backed camels and some chimpanzees
Some cats and rats and elephants, as sure as you're born
And don't you forget my unicorn"

Old Noah was there to answer the call
He finished up maiking the Ark just as the rain started falling.
He marched in the anials two by two.
And he called out as they went through.

Hey Lord. I got your green alligators and long necked geese
Some humpy-backed camels and some chimpanzees
Some cats and rats and elephants, but Lord, I'm so forlorn
I just can't see no unicorn.

Then Noah looked out through the driving rain
Them Unicorns were hiding, playing silly games
Klckin and splashing while the rain was pourin'
Oh them silly unicorns

There were green alligators and tong necked geese
Some humpy-backed camels and some chimpanzees
Noah cried "Close the door, cause the rain is pourin'
And we just can't for no unicorns

The Ark started moving. It drifted with the tide.
The unicorns looked up from the rocks, and they cried
And the waters came down and sort of floated them away
And that's why you've never seen a unicorn to this very day.

You!! see green alligators and long necked geese,
Some humpy-backed camels and some chimpanzees
Some cats and rats and elephants, but sure as your born
you'e never gonna see no unicorns
