

## WHITE DOVE (G)

(G)In the deep rolling(G7) hills of old(C) Virginia  
(C)There's a(G) place that I love so(D) well(D7)  
(G)Where I spent many(G7) days of my(C) childhood  
(C)In the(G) cabin where(D) we loved to(G) dwell.

### CHORUS:

(G)White Dove will(G7) mourn in(C) sorrow  
(G)The willows will(D) hang their(G) heads  
(G)I'll live my(G7) life in(C) sorrow  
(C)Since(G) mother and(D) daddy are(G) dead.

### BREAK -

(G)We were all so(G7) happy there to(C)gether  
(C)In our(G) peaceful little mountain(D) home(D7)  
(D)But the(G) Savior needs(G7) Angels up in(C) Heaven  
(C)Now they(G) sing around the(D) Great White(G) Throne.

### CHORUS

### BREAK ?

(G)As the years roll(G7) by I often(C) wonder  
(C)If we'll(G) all be together someday (D, D7)  
(D7)And each(G) night as I wonder through the(C) graveyard  
(C)Darkness(G) finds me as I(D) kneel to(G) pray.

### CHORUS

### OUT TRO: RETARD LAST LINE IN CHORUS
